

hey now you love me baby  
you love me baby  
you love me baby but baby i dont love  
you  
no  
no no

now every where i go  
i turn my head and  
who do you see baby girl  
its you oh please  
please leave me alone  
now i didn't give you no invatation  
i didn't give you no green light  
so please oh  
leave me alone

you love me baby  
oh no  
you love me baby  
oh shit  
you love me baby but baby i dont love  
you no

i dont want to hurt your feelings  
i dont want to make you cry  
but if you dont leave me alone girl  
im going to lose my mind  
now i didn't give you no invatation  
i didn't give you no green light  
so please oh  
leave me alone

you love me baby  
oh no  
you love me baby  
oh shit  
you love me baby but baby i dont love  
you no

everybody knows and every body sees  
that i dont like you girl  
i dont like you at all  
la la la laleave me alone

you love me baby  
oh no  
you love me baby  
oh shit  
you love me baby but baby i dont love  
you no
