

the time has come  
to see you again  
i guess it couldn't be avoided  
i must confess  
i dont know why  
im trying to get your attention

cause im sat in front of you  
trying to let you know  
that your fucking fool  
cause you must be blind  
you must be blind as a bat  
cause you must be blind  
you must be blind as a bat

cause your unable to see  
how much im into you  
or is it that you just dont care  
for me at all  
and i should have known  
that you were just wasting my time

cause im sat in front of you  
trying to let you know  
that your fucking fool  
cause you must be blind  
you must be blind as a bat  
cause you must be blind  
you must be blind as a bat

as a bat

so stop wasting my time
