

welcome into you new home
hope your feeling comfortable
all glad your here
and if theres anything
that you need
don't hesitate to ask
cause whats mine is yours

ok it can get a little bit noisy
but by the looks of you
you'll fit right in
and only one thing you must to remember
keep on smiling and have yourself a real good time
and oh yeah were all in the same boat

and if you ever feel a little bit down
don't you worry
we're all here to get you back on your feet
and if you've got a problem
oh you should know it can be solved
cause we're all friends here

ok it can get a little bit noisy
but by the looks of you
you'll fit right in
and only one thing you must to remember
keep on smiling and have yourself a real good time
and oh yeah were all in the same boat
